Dear First Baptist Church ,

Happy New Year! We hope you had a refreshing holiday season with your loved ones.

2023 was the first full year of ministry from our new campus in the Dominican Republic in Jarabacoa, and we are in awe of how God worked. He opened doors for fruitful ministry, provided connections and relationships that more quickly advance the gospel, and continued to remind us all that He is always after "the one." No one is too far gone from His love and kindness, and He has called all of us to show His love.

God also provided divine protection over our staff, students, and campuses in Haiti. Our staff pressed forward with a boldness that only could have come from God, and they refused to give up and stop when facing adversity. Your support was a direct encouragement to them to continue in ministry.

Across the island, 423,726 men, women, and children were impacted through the ministry of Mission of Hope in 2023. Because of you and faithful people like you, 1,319 people made professions of faith in Jesus!

God brought hope to people who had nowhere else to turn. You helped make all this possible. Thank you for helping meet the needs of people you may never meet face-to-face but whose lives have been changed for the better. You chose to reach out and give, showing in tangible ways that Jesus is always close to the hurting and broken. Our prayer for 2024 is that God will provide His peace to the hurting and that many lives will be changed across the island.

If you have ever wanted to see firsthand the ministry taking place, we would love for you to join us on a HopeGo trip. We have available mission trip dates for 2024, both for individuals and groups. As we begin the new year, thank you for partnering with us, and please pray with us for God to transform the lives of even more men, women, and children through Mission of Hope in 2024.

Sincerely,
Mission of Hope
