Cozy winter greetings to you! Our hearts are warmed by the time we've had as a family. This happens once a year, now that we're based Stateside, which is a joy to look forward to!

Timothy (33) lives in northern Kansas City, so we see him more frequently. He works for the Missouri Department of Social Services.

Jonathan (31) continues to live in his northern California home, gardening in his yard and working his dream job as a computer scientist for Khan Academy.

Elizabeth (28) and Stephen Sell are buying a cute home in downtown Kansas City. She works as a counselor and social worker, and he in law enforcement.

Matthew (25) is renovating his home in downtown Atlanta, Georgia, and working in UX design at Equifax. He enjoys his two kittens and jiu-jitsu, which he introduced Daniel to over Christmas break.

Kirsten (19) enjoys her job as a hotel receptionist and is transitioning to living partially independently with a friend while enjoying her cat.

Daniel (15) is Mr. Fix-it Problem Solver for everything around our house and is trying out jiu-jitsu. He 3D prints all kinds of things.

Ariela (12) plays beautiful piano music and enjoys time with friends and our neighbor's growing family, plus American Heritage Girls.

We thank God for our children and ask you to continue to pray for them regularly.

In our Bible translation work, we have a goal of translating 625 Bible verses each quarter in each of the three Roma languages (Arli, Chergash and Gurbet). Thus, Lord willing, at the end of 2024, we hope to have finished translating a total of 7,500 verses. The exciting thing is that if we reach that goal, along with what we have already translated, we will have completed 95% of the New Testament in three languages by the end of the year! (We will only lack 1-2 Thessalonians and Hebrews if all goes well.)

However, these are very aggressive goals, and we ask that you would please pray for Todd and the other thirteen translators 1) to stay healthy and able to work consistently on the translations, 2) for our computers, software, and Internet connections to work without causing delays or losses, and most of all 3) that the Holy Spirit will guide us and empower us to make the best possible translations in these three Roma languages, for his wisdom and ability to make these translations clear, accurate, natural, acceptable and literary.

Another huge praise is that the Lord has answered prayer and that through the generosity of one of our financial supporters, we now have our full financial support pledged. Praise God!!! And thank you to each of you who supports us.

Gratefully,
Todd & Pamala
